

DONATE TODAY!

SUPPORT GRANT BEACON AND THE TENNIS COURT REVIVAL PROJECT

ENRICHING THE LIVES OF STUDENTS

We provide students with exceptional learning opportunities through our enrichment program. Your generous support helps us create unique experiences that enhance our students' educational journey by learning from experts in the field. By contributing to our enrichment initiatives, you will enrich the lives of many of our students.

GBMS TENNIS COURT REVIVAL PROJECT:

We are launching an exciting initiative to revitalize the tennis courts at Grant Beacon Middle School. These courts have served our Platt Park community for many years and are now in need of renovation. With your support, we can create a space for both our students and community members to enjoy the sport of tennis. Your donation, no matter the size, will help us reach our goal of bringing these courts back to life.

Enter **"TENNIS"** in the notes field during the final step to direct your donation to revitalizing the tennis court at Grant Beacon.
